The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest the mattress comprised of the foam springs with the now claimed, specific opposite zigzagged walls, covered with a visco-elastic layer and a knit padding, as set forth in claim 1.

As no copy of ES 0186551U was submitted, this reference was not considered.

As applicant's faxed response to the office action dated 1/24/08 was improperly scanned into the record, it is noted that:

1) The clean version of the substitute specification is entered,

2) Amended claim 1 (scanned in on an one page paper dated 7/7/08, identified as a SPEC, with a numeral "2" in the upper right corner, and continued on an one page paper dated 7/7/08, identified as CLM), and amended claim 4, (scanned in on the same one page paper dated 7/7/08, identified as CLM, on which the continued portion of amended claim 1 is presented), and new claim 7 (scanned in on a paper dated 7/7/08, and identified as REM, with a numeral "4" in the upper right hand corner) are allowed,

3) Only ONE IDS has been submitted and considered, even though 3 IDS's seem to be of record; all 3 IDS's are identical..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
